

**SEMILLA
CELL GROUP
EXODUS 35 Q'S**

Introduction: *In light of the pandemic, as Jesus followers we need to re-evaluate the way, reason we pray. This week we will reflect on how to pray differently. In Exodus 35 we come to a passage where the people of God have received many blessings (redemption, protection, direction, forgiveness, restoration, etc.) , God now commands them to use some of these to honor and serve Him.*

Icebreaker: Do you remember the first or one of the first prayers you've ever prayed. How did God answer that prayer?

Questions to start:

1. Share with each other something that stood out from this weekend's message.
2. Take a moment and practice last week's memorized verse.

Questions in the text:

1. While we read the whole passage, mark down things that catch you attention to share with the group after the reading.
2. For you, what does it mean to rest in the Lord? Read John 6:28-29
3. Everyone write down a short prayer of faith and trust in God, share it with the group once you're done.
4. What did God expect from his people in V.5?
5. How did the people of God respond from VV.21-29?
6. Why do you think this passage emphasizes on the willingness of the people giving generously. What does 2 Corinthians 9:7 say?
7. Which of the gifts/talents that God has given you, do you think you need to use more for the work of God?

8. When you give, do you do it because you feel obligated to give, or because it comes from a willing and joyful heart?
9. What should be the prayer of a generous person?
