

## **SEMILLA OC**

### **HEBREWS 4:12-13**

#### **“GOD AND HIS WORD”**

**Objective:** “To exhort each other to develop the necessary habits to maintain in God’s Word.”

**Ice Breaker:** If you could invent a medicine for anything, what would it be? Why?

#### **First Things First:**

1. Take a couple of minutes to review and practice last weekend’s memory verse.
2. Take a moment to share with each other some of your notes from this Sunday’s message.

#### **Questions in the Text:**

1. In V.12 it tells us, “The Word of God is alive...” To what or who could this be referring to?
2. Which similar attributes does Jesus and His word share?
3. The word used in this verse is “alive”, which means effective. When was the last time you experienced the power of God’s word “in you”?
4. Why is it important to keep in mind that the Word of God is a “double edged sword” when teaching others?
5. The Word of God goes where human advice could never (“penetrates the soul and spirit”) what are our thoughts? What has God shown you lately about the state of your heart?

#### **Questions to Apply:**

1. What do you benefit the most from when it comes to reading and meditating on God’s Word?
2. In which way could you benefit from caring for the spiritual being of someone else?
3. Have you already taken the discipleship? What prevents you from taking it and signing up for the next session?
4. What scriptural reading disciples do you want to come out with after this quarantine? What do you need to do today to make that happen?

#### **Pray for one another**

**Verse to Memorize: Hebrews 4:12** | “For we also have had the good news proclaimed to us, just as they did; but the message they heard was of no value to them, because they did not share the faith of those who obeyed.”
