Matthew 18:1-9

Message Outline

"The Family of God"

1. No one is More Important than the Other (versos 1-4)
2. Jesus is the Center of Our Relationships (versos 5-6)
3. We Take Care for Each Other (versos 7-9)

Objective: *Consider in light of Jesus's teaching how the family of God should behave.*

Icebreaker: What could be one of your family values that you value so much that you wouldn't want it to be lost.

To Start:

1. Let's review the memory verse Matthew 17:24
2. Let us briefly share some of our notes and/or our reflections derived from the teaching this weekend in Matthew 18:1-9

To Observe a little and think a little:

1. What can we learn about that precise moment and that interesting question described in verses 1 and 2? (Let's read a couple of versions before we share.)

2. Let's make a list of everything we learn about the kingdom of heaven in verses 3 to 5, and as we read and comment, the moderator takes note of the observations and at the end shares the list with the group.
3. What is the danger of "stumbling" a little one and how to avoid it according to verses 6 to 9?

To Reflect:

1. What does it mean for each of us to behave within the family of God as insignificant, uncountable and completely dependent people?
2. What group in the church do you need to "receive" as Jesus to help them advance in their knowledge of the Lord?
3. What do you need to stop doing or saying in order not to be a stumbling block to the little ones in God's family?

Lets pray.

Memory Verse:

Matthew 18:2-3 He called a little child to him, and placed the child among them. And he said: "Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.
