Revelation 4:1-11

Expository Outline

"The throne of God"

1. - A throne of Glory..... (1-3)
2. - A throne of Authority. (4-7)
3. - A throne of Praise ... (8-11)

Objective: Have each participant answer the question: who is God currently in my life, and who does he need to become?

Icebreaker:

1. - Have you ever visited a palace? What caught your attention the most?

To start:

1. - Let's take a few minutes to review and/or practice Revelation 3: 18-20.
2. - What did God speak to you personally during the teaching of Revelation 4? (Let's share briefly with each other "the best of our notes")

To Observe:

- 1.- After making a list of everything we learn about the throne from verses 1 to 3, Let us comment: which of the characteristics or aspects of the throne attract our attention the most and why?
2. - If you had to make a drawing of the throne, based on verses 4 to 7, how would you draw it? Before we talk, let's take a few moments (in silence) to read and imagine.
3. - Let's ask the journalistic questions (what, who, where, when, how, why) to the subject of the praise in verses 8-11. The facilitator records the group's observations and then just read what you wrote down.

To Reflect:

1. - How does the fact that *God* is sitting on his throne make you feel? What meaning should this have for you?
2. - What can we learn in this passage about everything that *God* has created such as animals, nature, etc?
3. - In what way do you think your worship of *God* needs to improve:
 - a) From occasional worship, to a continual worship
 - b) To adore him for who he is, not how I feel
 - c) From me being the center of my life, to him becoming the center of my life (wishes, dreams, decisions, etc)
 - d) From singing out of tune to singing in tune
 - e) Other

Let's have a time of prayer.

Verse to memorize:

Revelation 4:11

"You are worthy, our Lord and God, to receive glory, honor, and power, for you created all things, and by your plan they were created and exist."
